<b>Explanations</b>	

It has been previously publicly announced that negotiations had been initiated with our partner with a view to establishing a structure (i) whereby the Cenal Karabiga Thermal Power Plant, which is under the control of our affiliate Alcen Enerji Dağıtım ve Perakende Satış Hizmetleri Anonim Şirketi ("Alcen"), subject to the joint management of our affiliate Alarko Enerji A.Ş. ("Alarko Enerji") and Cengiz Enerji Sanayii ve Ticaret Anonim Şirketi ("Cengiz Enerji"), would be held under the control of Cengiz Enerji, and (ii) whereby all shares of the companies controlled by Alcen and operating in electricity distribution (MEDAŞ), electricity retail sales (MEPAŞ and MESAŞ) and other related business areas would be held under the control of Alarko Enerji, and that, in this context, a mutual understanding had been reached and a preliminary protocol had been executed between Alarko Enerji and Cengiz Enerji.

In order to complete the transactions contemplated under the aforementioned preliminary protocol, an application has been filed with the Turkish Competition Authority for approval pursuant to Communiqué No. 2010/4 on Mergers and Acquisitions Requiring the Approval of the Competition Board.

This is hereby announced to the public.

The English translation of this disclosure is attached hereto. In case of any discrepancy between the Turkish and English versions, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
